evening at the home of the bride's parents in  
Springdale.

CAMPBELL—BUCHANAN.

Mr. Robert Campbell, aged 21, of Nicholas

county, were united in marriage yesterday  
morning in County Clerk William P. Dickson's  
bridal parlor, Judge W. H. Rice tying the  
nuptial knot in his most approved and accom-  
plished style. The marriage was with the  
consent of the bride's parents.

BATES—KEY.

An usually pretty event was the Bates-Key  
wedding which took place at high noon yester-  
day at the home of the bride's parents on  
Walnut street, when Miss Elizabeth Key be-  
came the bride of Mr. Elijah Bates of Cleve-  
land, O.

To the strains of Mendelssohn's Wedding  
March rendered by Mrs. C. E. Geisel the wed-  
ding party marched slowly down the hall until  
they faced the folding doors leading into the  
parlors. Here the ceremony was performed  
by the Rev. Roger L. Clark of the Christian  
Church. The attendants were Mr. Henry W.  
Key and Miss Mayme Key, brother and sister of  
the bride, and Mr. William H. Rees and Miss  
Isabelle Key, youngest sister of the bride.

The bride carried a bouquet of lilies of the  
valley and sweet peas, while the bridesmaids  
carried white carnations. The interior of the  
home had been tastefully decorated with  
honey-suckle, mock orange blossoms, daisies,  
ferns and potted flowers, and presented a beau-  
tiful appearance as the guests entered the  
hall. After the ceremony a luncheon was  
served the wedding party and those present,  
and after receiving congratulations and best  
wishes of their many friends Mr. and Mrs.  
Bates left for the East on the 1:35 C. and O.

face. I can truthfully say that Cascarets  
are just as advertised; I have taken only  
two boxes of them."

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the dis-  
eased portion of the ear. There is only one way to  
cure deafness and that is by constitutional reme-  
dies. Deafness is caused by an inflamed condi-  
tion of the mucous lining of the Eustachian tube.  
When this tube is inflamed you have a rumbling  
sound or imperfect hearing, and when it is entirely  
closed, deafness is the result, and unless the in-  
flammation can be taken out and this tube re-  
stored to its normal condition, hearing will be  
destroyed forever; nine cases out of ten are caused  
by Catarrh, which is nothing but an inflamed  
condition of the mucous surfaces.  
We will give One Hundred Dollars for any case  
of deafness (caused by catarrh) that cannot be  
cured by Hall's Catarrh Cure. Send for circulars  
free. F. J. CHENEY & CO., Toledo, O.

**Good Soda**

There are three essentials in  
the making of good soda water:  
A good apparatus, the use of  
best materials, care and con-  
science in the making and serv-  
ing.

**Good Soda**

Requires far more attention  
than the general public is apt  
to surmise—at least, when made  
with the care we give it.

**Good Soda**

Demands liberality in the  
purchase and use of choice ma-  
terials and careful daily atten-  
tion to all the sanitary details  
of the fountain. Our Soda not  
only tastes good, but is good in  
every possible sense of the term.
